Description

This silky-smooth 2-ingredient play dough can be made in just a few minutes with stuff you already have in your house—hair conditioner and cornstarch!

SCALE

Ingredients

2 cups cornstarch
About 1 cup inexpensive hair conditioner
Food coloring (optional)

Instructions

- 1 Place the cornstarch in a large bowl.
- 2 Mix in the hair conditioner with your hands—it will just start coming together and it will be pliable and very, very smooth. If desired, add a drop or two of food coloring.
- 3 You may need to add more conditioner as you go. Use food coloring to color as desired. Keep covered when not in use.

Notes

- ⁱ Don't use the expensive hair condition or lotion, but I do recommend something that is either scent-free or a scent that you/your kids like.
